PACK

**0.5-1.5MM² HEAT
SHRINK CRIMPED BUTT
CONNECTORS**

HB1 RED

**1.5-2.5MM² HEAT
SHRINK CRIMPED BUTT
CONNECTORS**

HB2 BLUE

For joining standard automotive/marine cable
permanently with a single connector.

Once crimped, heating the conductor with a
heat gun shrinks the sleeving around the cable
and allows the adhesives to flow. Water resistant
seal, great for use where the connection is
exposed to moisture.
